* Traits of Entrepreneur ⇒

1) Vision and Passion: An entrepreneur must have very clear vision of his business so we must have the ability to plan out this long term and short term goals and objectives he has to be able to map out his future plans in an articulate and efficient manner another very important trait necessary in an entrepreneur is that he must be passionate about his work. Entrepreneurship is hardwork and long ~~hrs~~ hours so he must be passionate about what he is doing. Such passion can translate into hardwork and success.

2) Innovative ⇒ One of the main traits of entrepreneurship is innovation. The entrepreneur look for the opportunity in the market and capabilities. He is the one who introduces new products and services in the market trying to fullfill customer need. The innovation can also be in a production process, new market strategy, innovative advertising etc.

3) Risk Taker ⇒ A risk is an integral part of a new business but it is especially important factor in entrepreneurship because there are entrepreneur bears the entire risk of business. So it is necessary that the entrepreneur as an adventurer and risk taker personality.

4) Leadership ⇒ One of the other important qualities of a successful entrepreneur is leadership all good entrepreneur are good leaders. They have the ability to motivate and lead their employees to success. They also have the tenacity, knowledge and skilled to pull their business from tight corner like good leader.

5) Persistance ⇒ (Able to do anything) A good entrepreneur is always persistant by nature a business is never an overnight success it takes immense hardwork and also a little bit of luck. But a persistance entrepreneur makes his own luck he can create opportunities

if they are not presented to him so a persistant entrepreneur that works tirelessly always has great chance of success.

6) Ethical ⇒ Ethics and integrity are the corner stones of any successful businessman in the long term. A sustainable business cannot be run by someone with compromise moral. So any credible must have as its trait and ethical entrepreneur to upholds in the later up and the integrity of the business.

7) Competative Spirit ⇒ The business world is very cut through space. Thousands of new businesses fall and die everyday so the ~~compatet~~ competition is always going to be fierce and intense. Such as environment is better suited for someone who is already competitative by nature, and who thrives in such situations of pressure.

8) Resillient (Flexible) ⇒ One of the most important trait in a successful entrepreneur is resillient there is no smooth, straight path to success. there will be some failures and in the way of entrepreneur's resillient and in his pursuit of success.
