"A Place to Learn, A Chance to Grow"  
Session: 2025-26

**VISION**

To be recognized for excellent engineering, developing global leaders both in educational and research in the domain of computer science and wireless engineering.

**MISSION**

1. To create self-learning environment by facilitating leadership qualities, team spirit and ethical responsibilities.
2. To improve department-industry collaboration, interaction with professional society through technical knowledge and internship program.
3. To promote research and development with current techniques through well qualified resources in the area of computer science and wireless engineering.

**List of Practical's**

**Semester/ Branch: - V Sem/ CSE**

**Subject Code:- CS5L004**

**Subject Name: -DBMS Lab**

**Subject In-charge: Prof. Anuja Ghasad**

| Sr. No. | Aim of Practical                                                       | B1 Date    |
|---------|------------------------------------------------------------------------|------------|
| 00      | Introduction to DBMS LAB.                                              | 23/06/2025 |
| 01      | To study and Installation of MySQL.                                    | 07/07/2025 |
| 02      | To study and execute DDL Commands in RDBMS.                            | 14/07/2025 |
| 03      | To study and execute DML and DQL Commands.                             | 21/07/2025 |
| 04      | To study and execute DCL Commands.                                     | 28/07/2025 |
| 05      | To study and execute TCL Commands.                                     | 25/08/2025 |
| 06      | To study and implement different types of SQL operators.               | 10/09/2025 |
| 07      | Study & Implementation of different types of constraints.              | 17/09/2025 |
| 08      | Implementation of different types of functions with suitable examples. | 24/09/2025 |
| 09      | Implementation of different types of Joins.                            | 01/10/2025 |
| 10      | Study & Implementation of Clauses.                                     |            |
| 11      | Study & Implementation of Views.                                       |            |
|         | <b>Content Beyond Syllabus</b>                                         |            |
| 12      | To design and implement a Mini-Project using Database.                 |            |
